This eat-in kitchen area also includes a breakfast bar and a pantry closet. Hardwood floors continue down the hall into three spacious bedrooms, two include built in bookshelves, which share a fully remodeled tile bath finished with a vanity and a tub/shower. The lower level features a large great room with daylight windows, a cedar closet, another full bath, and a kitchenette/wet bar with Quartz countertops. Practical spaces on this level include a laundry area with a washer/dryer, a mud room, and a workshop/garage that provides storage and space to make things.
